

## LITTLE ROCK CENTRAL HIGH SCHOOL NATIONAL HISTORIC SITE

---

Are all M&Ms™ the same?

Open a package of M&Ms™ and separate them by color. Then, one at a time, taste each color. Record on a sheet of paper what you taste. Do they all taste the same?

What do you think discrimination means? Ask a parent or older sibling to help you look up the meaning of discrimination in the dictionary or on the Internet. Then try to compare its definition with the M&Ms™ you separated.

Visit Little Rock Central High School National Historic Site to learn more about this historic site and its dark history of discrimination.
