

## ARKANSAS POST NATIONAL MEMORIAL

---

Which of the following definitions of “post” correctly describes Arkansas Post National Memorial?

**Post**- a long piece of wood or other material set upright in the ground

**Post**- to display in public view

**Post**- a military base

Have an adult help you locate a map of the state of Arkansas. Use a colored pencil to trace the Arkansas River on the map below. Then, use a different colored pencil to trace in the Mississippi River. Now, think about why Arkansas Post would have been so important to countries such as France, Spain and England. Write five complete sentences explaining your thoughts.

(Remember, complete sentences have a naming part and a doing part.)

- Don't forget a topic sentence, details, conclusion and transition words such as before, next, after and finally.
