

Harrison Wyrick
2018
idiot film

H Eugh. Wha.
Where am I?
How am I...
(pause creepy guy stands in back, startles)
AUGH!!
Hello?!

L Hey.

H Oh hi.
(After a pause)
Where am I-

L How'd it going-
(At same time)

H Oh haha no you go first

L Oh haha no uh I uh

H Where am I? And who am I?

L Wow. You're self centered.

H Oh. I'm sorry. Uh who are you?

L I'm a human.

H Oh and who am I?

L God. I don't know? You're a human.

H Oh. Where am I?

L A space.

H Oh

L You're in a space between life and death

H A place between time and death? Whoa like Limbo?

L What? No. Space be-

H Whoa. Like Inception?

L No.

H So am I... dead?

L What did I just say.

H Oh.

L You're in a space.

H Oh. So I'm alive?

L No. You're between.

H Oh. Well why don't I get something like heaven?

L Why the hell would you think you're important enough to get a space like heaven? What makes you so special? What separates you from the rest of the humans alive and dead? You're not special.

H Oh.
Oh yeah well that means you're not special either.

L Yeah well neither is he.

(swipes over)

R Hey dudes what's up!

L And you're in no space to say that.

H That guy's gross.

L Ugh yeah I know he's the worst. But still you're in no space to judge.

H Oh.

L 've been in this space for 1600.

H What?

L What?

H 1600 what...?

L Huh?

...(pause)

L Hey. I got a question.

H Yeah?

(projects slideshow)

L Does it not worry you that you're being
Manipulated and you know it?
That what you desire is completely
Artificial, and wot help you or those you
Love with anything?
That in your pursuit of self actualization,
You're only dooming yourself to a constant
game of cat and Mouse?
Consuming so much but obtaining so
Little?
And against your best judgment turning a
Blind eye on reality?
I know there's a lot on your mind.
But most of it is meaningless.
In the end you'll find you didn't need any
Of this to be happy.

(pause)

H Jesus Christ dude.

(door opens)

H What?!

L Looks like you get a second chance.

H What does that even mean?!

L You can see what you did wrong, and try again.

H Well what do I do?

L I don't care.

(pause)

This is big boy hour, time to make a decision, it doesn't matter if you do or if you dont cause all you're gonna do is reassure yourself your answer was right.

(pause)

Either way i'm out of here (belches loudly, then leaves)

(H slowly enters door)

(sees bloody battered family on ground after flash of light, looks around for awhile, in horror, looks towards camera)

H Oooh that's right, silly me I killed all of my family!

(smiles, ends)
