

LOST IN SPACE!

Cat and I are having a total blast in space. But all our stuff is blasting away!
And bouncing around! And floating all over the place!
Help us keep track of our space stuff:

- 1 number 6!
- 2 baby corns!
- 1 marble!
- 1 remote control!
- 1 safe!
- 4 gadgets!
- 3 rockets!

As you find things, number them so we can see they're all there.
Then color in the Purple Planet, and our whole cool, colorful space play date.

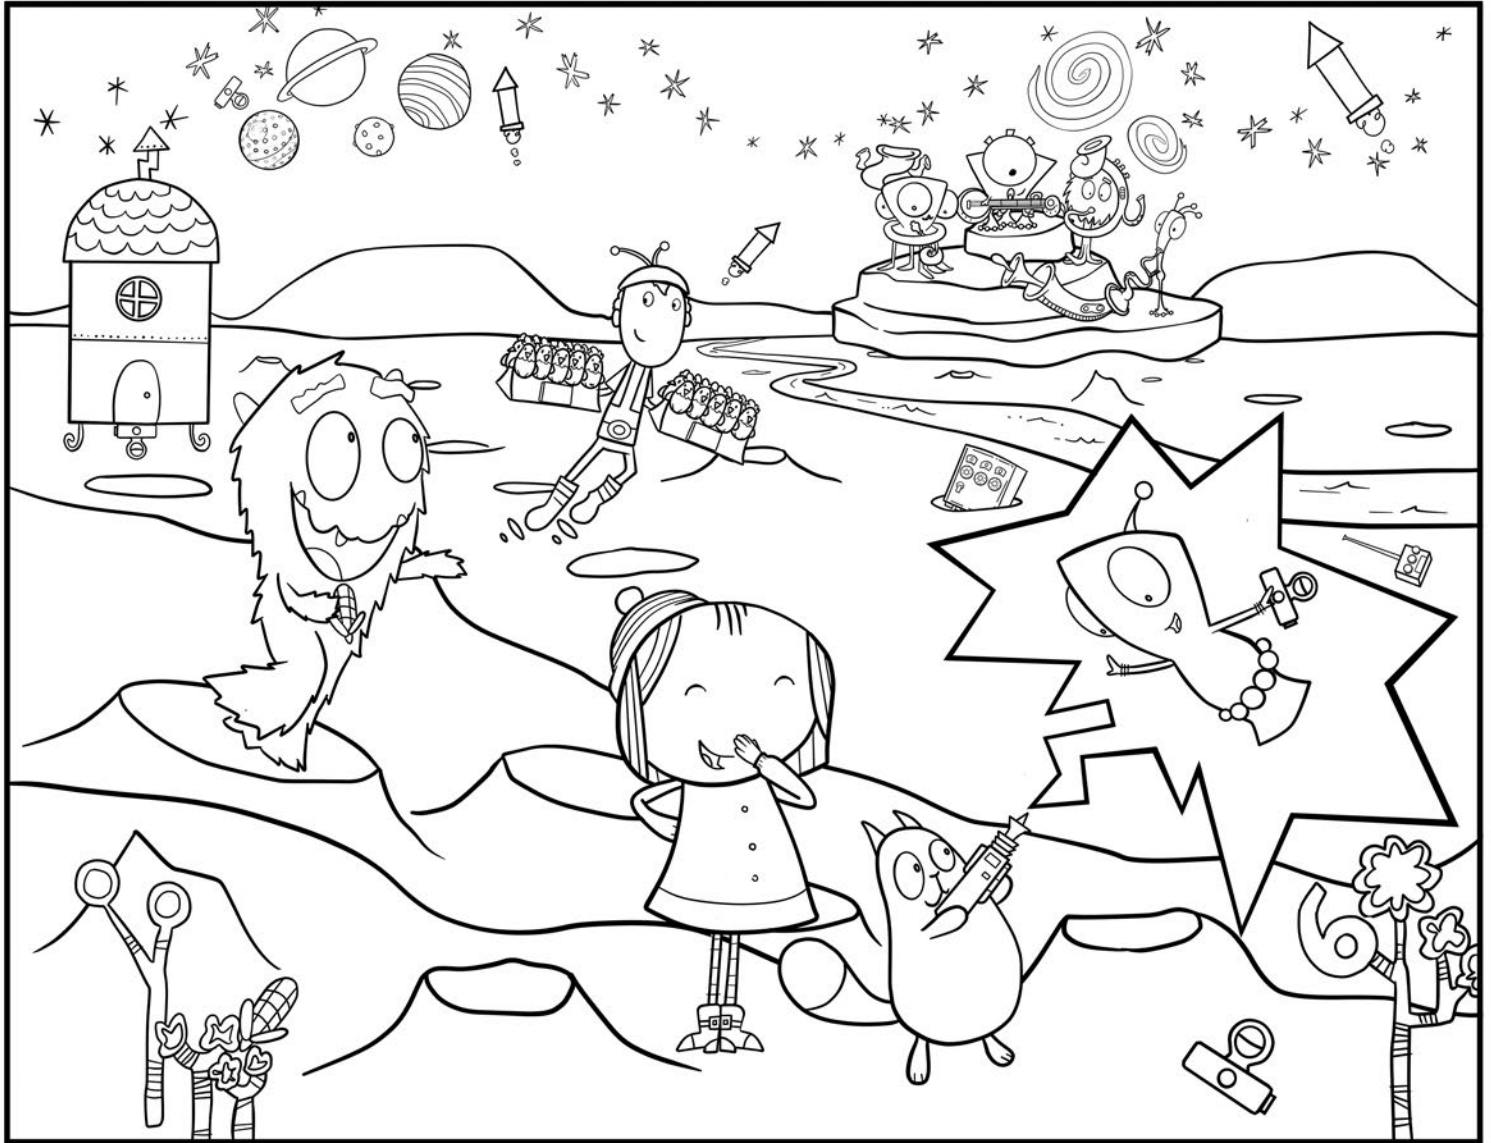

PARENTS:

CLUES YOU CAN USE to help kids find...

- 1 number 6 - It's sticking **up** from a space plant.
- 2 baby corns - Big Mouth has 1; the other's **in** a plant.
- 1 marble - It bounced way **up** in the sky, **near** 3 planets.
- 1 remote control - It's **near** our space pal Richard.
- 1 safe - It's **in** a hole in the ground.
- 4 gadgets - Richard has 1 gadget. 1 is **down low**, near Cat. 1 is **next to** a planet **up** in the sky. And 1 gadget's **under** the door to our space ship.
- 3 rockets - They're way **up** in the sky, soaring away!
